- BUYER’S GUIDE -

ON THE COVER:
One of the distinctive and rare horses on PTC #44 is this 2nd row jumper with the early US flag and banners. The blue banner appears to be a variation of the Silver Star veterans banner honoring wounded soldiers. The Silver Star banner first appeared in 1917, the year the carousel was manufactured.

Richard Gardner photo

CONTENTS:

Long Awaited - The Seabreeze BandOrgan Façade
The Thursford Collection’s Rare Marenghi Dance Organ
In Memoriam: Carousel Artist “Tony” Orlando
Chipping Away at Life With Gerry Holzman
ON THE COVER:
A recently restored outside row stander from the 1927 Illions Supreme. The last of its kind 3-row carousel is in the midst of a 2-year restoration. When the restoration is complete it will be clear why many consider the Supreme the finest carousel ever carved. Pam Hessey restoration. Photo courtesy of Hawk’s Eye Studio
